

WE NEED YOUR HELP!

Dear members and friends:

As you know, our congregation is very proud of our policy to welcome the many diverse individuals who want to join or even just utilize the shul. It is our delight to see **people learning** in our beis medrash at all hours, it is our delight to **welcome children to the play group** during Shabbos morning davening, and **the boys and girls of pirchei and bnos** in the afternoons. Our doors are open Shabbos night for **avos ubanim learning**, and on Sundays for JEP. And all this besides the numerous daily minyanim, morning, afternoon and night.

As much as we take pride in the central role our shul plays in communal life, we also are proud of the dignity and beauty of our mikdash me'at. Maintaining the attractive appearance of our shul takes considerable effort and expense—in addition to a weekly cleaning crew, there is need to polish the furniture, scrape the floors, and many other mundane activities.

It has been 20 years since our sanctuary was refurbished, and the wear and tear are beginning to show, quite a bit. Frankly, the chairs look their age, and that is not good. We have decided to embark on **a campaign to redo the chairs, replace the carpeting, and upgrade the lights in the main shul.**

We are turning to our members, neighbors, and friends, including those who may have moved out but still retain their warm memories, to ask that you join with us in our effort to enhance the physical environment of our *beis knesses*. **Your contribution will enable us to continue servicing all members of the Jewish people in a dignified and inspiring fashion.**

Dr. Leonard Mann, President

Rabbi A Cohen

✓ Lights	\$10,175	Already Donated \$21,224
275 chairs	\$13,425	
Carpeting—entire shul	\$12,650
