We hope you are doing well.

As we prepare for the Yamim Noraim, with so much going on, I thought having all the various things on one page might be easier for you.

To make life a little easier all around, we started doing most things electronically. As such, we are planning on doing away with "snail mail" with the exception for those that still want it.

Therefore, if you know anyone who would like to join our email list, kindly email me (or have them do so) at presidentBBshul@gmail.com and I'll be happy to add them to the list. If not, we will keep the snail mail list but know there are times, such as this, that we simply do not have the manpower to get it printed, stuffed and then out to the post office in a timely manner.

Below are lists of links, click or copy & paste them into your browser for access:
